

Brothys and Sisters of The Mystery

XUXA SANTAMARIA

(Sofía Córdova and Matthew Kirkland)

Friday the 13th, November 2015

doors at 9pm, performance at 10pm

An incantation. A crescendo of the spectral invisible. A summoning of a spirit that we don't know. A spell that will rattle your bones. Answering machine messages, synth drones and resonance. (Volume turned all the way up.)

XUXA Santamaria will seek to reveal unseen reality this upcoming Friday the 13th at City Limits.

Sofía Córdova and Matthew Kirkland are XUXA

Santamaria, a musical collective channeling sci-fi, the Chrono Trigger OST, So So Def All Stars, Ace of Base and The Stooges variously or all at once, depending on their mood. In March 2015 the duo released a mixtape, Billionair Rainbow, a 6 track bilingual meditation on societal alliances and entanglements with money: desire, power, debt and revulsion. Their first album, Chucha Santamaria y Usted, was released in 2011 album to cult acclaim.
